DRESSAGE TEST RIDING SESSION

Would anyone be interested in a Test Riding Session at Foxhills Equestrian Centre on 16th March, 2019 , - 10.00 ish to 4.00 ish. The week before the Area Dressage Qualifier.

I have approached Kathryn Marsh who has offered to Judge a Test Riding Session. Kathryn is a UKCC level 3 Accredited Dressage Coach, BYRDS Coach and BHSAI instructor who is considerate and influential with her observations and comments.

What she will do:-
You will ride the test – she will complete the usual Test Sheet.
You will then discuss it with her and she will suggest – demonstrate – improvements which could be made – approx 15 minutes
Then you will re-ride the Test and hopefully improve your mark.
We will allow approximately 40 minutes for each Test Riding Session.

As we have to hire an indoor arena, the cost would be approx £45 per person.

Please can you let me know asap if you are interested.
When I know how many are interested I can finalise details and confirm.
