How does an Eventer's Challenge work?
The heights in all XC phases are a maximum; the course will include fences below this height.

This is a two-phase horse trial:
- The first section is over show jumps and the second is timed over cross-country fences.
- The show jump phase is followed immediately by cross country jumps.

After the show jumping, riders will proceed directly to the XC start box. The cross-country phase will be judged on an optimum time.
The winner and runners up will be those that achieve clear rounds in both phases with the least time penalties over the cross-country phase.

Start times will be allocated to all competitors.

NB. At this event, if you are eliminated SJ, we may allow you to continue onto XC at the judge's discretion. Also, anyone eliminated XC may continue at the fence judge's discretion.

No change of equipment or tack between phases.
No stopwatches, head cams or outside assistance allowed.

Cross Country attire to be worn throughout including current standard body protector and hats, NO FIXED PEAKS MAY BE USED.

ROSETTES TO 8TH PLACE IN ALL CLASSES – these will be posted out after publication of results.
